

Sunshine Star ✨

This is the journey of a

One and Key

One is an Alien who lives with Key, a human boy in a planet called Corn. The Corn planet is surrounded by stars and one particular star called 'Sunshine Star' has the same property of a Sun.

Key, a human boy

- 8 year-old boy
- abducted from an orphanage on earth
- Loves exploring the stars

One, an Alien

- Lives alone from Planet Corn
- Abducted a boy from earth so he is not alone on planet Corn
- Has lived for over 100 years
- Has power to control his surroundings

Planet Corn

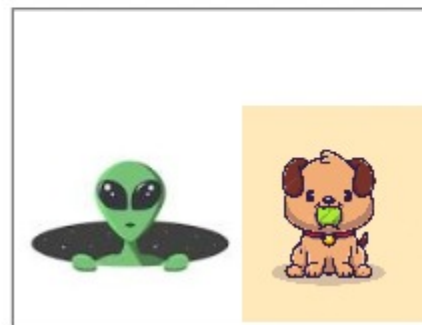

- Planet Corn has all amenities as earth do.
- Surrounded by bubble and glass buildings.
- Car/airship are powered by One

'Sunshine Star'

- Has property of the sun
- Can support lifeform on planet Corn
- Absolute magnitude shines like a sun, five other stars has similar attributes
- The radius of the star doesn't come close to sun
